EDUCATION

Bachelor of Science in Civil Engineering

May 2029

University of Florida, Gainesville, FL

GPA: 4.0/4.0

PROFESSIONAL EXPERIENCE

Transportation Engineering Study Abroad

May 2026 - June 2026

UF Study Abroad Program | Parma, Italy

- Evaluated Parma's Biciplan 2035 through a transportation assessment of the University of Parma campus serving 35,000+ students, faculty, and staff, identifying infrastructure improvements to support increased bicycle traffic.
- Collaborated with a multidisciplinary team to produce a technical report and present engineering recommendations (shared-use paths, pedestrian walkways, and increased signage) to a board of University representatives.
- Studied sustainable transportation systems through technical visits to Italy's national rail operations center, Venice's water bus headquarters, and leading automotive manufacturers (Ferrari, Lamborghini, Ducati, and Dallara).

Built Environment Resilience Research Lab Member

August 2025 - Present

Disasters, Trust, & Social Change Lab | Gainesville, FL

- Conduct mixed-method research focusing on community participation to assess and improve disaster preparedness and recovery.
- Collaborate with affected persons, city officials, and stakeholders to explore community priorities, co-design effective technology implementation, and educate the community about the technologies.
- Analyze quantitative and qualitative data to synthesize, display, and predict causes of damage and effects of technology implementation.

Overnight Valet Attendant

March 2026 - Present

SafeParc Parking Solutions | Gainesville, FL

- Manage full-service valet operations for the AC Hotel Gainesville Downtown, safely parking and retrieving guests' vehicles while maintaining efficiency and attention to detail during overnight shifts.
- Deliver exceptional guest experiences by creating positive first impressions, building rapport with guests, and demonstrating integrity and accountability.

Member of UF ASCE Chapter

August 2025 - Present

UF American Society of Civil Engineers Student Chapter | Gainesville, FL

- Competed at the Southeast Student Symposium in the temporary traffic control event, contributing to UF's 2nd-place finish among 20 universities.

SKILLS

AutoCAD, Civil3D, Revit, ArcGIS, Microsoft Suite, Coding Languages, Financial Oversight, Sustainable Building Practices, Problem-Solving, Critical Thinking, Communications

INTERESTS: Jesus, soccer, health & fitness, movies, technology
